• 95% staff attendance	721
	95%+
	95.67%
	95%+
	96.25%

Hiatt Food Drive

During the week of November 16-20, some 8th grade students held a food drive. Wayne Smith, Shamarrie Berry, Terry Mitchell, Caleb Johnson, Ali Esmaeil, Cyncere Champagne, Emmanuel Rosario, Corey Redman, and Elijah Neighbors put a lot of work into creating posters, making announcements, and collecting and organizing the food. The goal at the beginning of the week was to collect 1000 items to deliver to First Assembly of God's food bank. The week started out slowly, but as always the students of Amos Hiatt Middle School exceeded the goal. The overall total that was collected was 1720 items. Wayne Smith, Terry Mitchell, Caleb Johnson, and Kishawn Gates helped load the items into vehicles and unload the items into the food bank at First Assembly of God.

6th Grade Reading Tutoring

Starting in January, all 6th grade students will be eligible for free reading tutoring either before or after school. Students will meet with teachers 3 days a week to work on improving their reading levels. All students are invited to attend. For more information, contact the Hiatt office.

Drop off & Pick Up

Routines:

We will be having a parent information input meeting regarding redoing drop off and pick up routines. Please check email and text messages for time and date.

New Staff Member

Amos Hiatt is pleased to welcome Stephanie Kregel as our new 7th grade special education math teacher. Stephanie just moved to Des Moines and has a 7 month old son, Theodore. She is excited to get to know and work with everyone at Amos Hiatt.

Spring Sports

If you are interested in track or soccer, make sure you have your physical turned in.
