Thank you for Celebrating our Women in Sports and the Title IX 50th Anniversary of Women in Sports.

Your donation will support scholarships for our female student-athletes. The scholarship will be presented to one female student-athlete from each DMPS high school who will be attending a Trade School, Two Year College, or a Four Year University/College. We are greatly hoping that our funds will continue in the future to allow us to present a Female Athlete Scholarship in years to come.

Female Athletes will apply for the scholarship to the Title IX 50th Anniversary committee in May, and the scholarship recipients will be announced in June.
